The league will attempt to form at least one Division 1 team and one Division 3 team in each age group in each gender. Player selection precedence will be observed as follows:

A coach is defined as most senior within each age/gender group (for the year in which they are applying) in the following order based upon the previous year's standing.

1. Coach for Division 1
2. Coach for Division 3
3. Coach for Division 4
4. If all is equal, then previous coaching level (Age group and Division)
5. If all is equal, then license level.

The Competitive Director has the option of utilizing additional criteria in determining a coach's seniority, such as previous experience like high school, license level and experience. DOC also will determine level of play for teams based on previous year's record, level of players, level of coaching and input from team's Head Coach.

Competitive coaches are expected to familiarize themselves with Nor Cal Premier, procedures, rules, and regulations. All coaches will be required to sign a Code of Ethics form.

Each competitive team must provide three licensed referees available and under obligation to referee a WCCYSL game for each time that team plays at home. One of the referees must be an over 18. Team packets will not be submitted to District for registration without three associated referees.

These are only excerpts. Please review the league Bylaws and Policies and Procedures for further information.
