

WCCYSL REFEREE COMPENSATION 2009

1. Standard Fee Structure

The following fee structure table applies to regular WCCYSL hosted games in the Spring and Fall seasons for Class 4 (recreational/house) within the league or in conjunction with neighboring leagues, for Class 3 (competitive) as organized by CYSA-N District 4, and for Class 1 (competitive) as organized by GSSL.

Age	U8		U10/U11		U12/U13		U14/U15		U16/U17		U18/U19	
	CR	AR	CR	AR	CR	AR	CR	AR	CR	AR	CR	AR
Class 4	\$20		\$20	\$15	\$25	\$20	\$25	\$20	\$35	\$30	\$35	\$30
Class 3			\$25	\$15	\$30	\$20	\$35	\$25	\$40	\$30	\$45	\$35
Class 1			\$30	\$20	\$35	\$25	\$40	\$30	\$45	\$35	\$50	\$40

If any organizing league (D4 or GSSL) dictates a specific fee, or pays a specific fee (either directly or indirectly) for their games then their fee levels will be used instead. If any organizing league (D4 or GSSL) provides and pays referees (via the Neutral Referee Program, for example) then that league will do so according to its own fee structure.

2. Bonuses, Registration Reimbursement and Uniforms

The league no longer pays referee bonuses, provides reimbursement for USSF referee registrations (except as defined below for new referees) or provides new items of referee uniform based on numbers of games officiated. All referee remuneration is now contained within the basic fee structure above.

3. Other Fees

For other fees contact the Director of Referees.

4. 2009 New Referee Reimbursement

Referees that pass their USSF Grade 8 test in 2009 via the WCCYSL class before the Spring season may have their registration fee (\$40) and uniform kit cost (\$65) reimbursed by the league by officiating 12 games (as covered by the standard fee structure) in 2009 or at the discretion of the Director of Referees.

5. 2008 New Referee Reimbursement

Referees that passed their USSF Grade 8 test in 2008 via the WCCYSL class before the Fall season may have their registration fee (\$25 or \$40) and uniform kit cost (\$65) reimbursed by the league by officiating 12 games (as covered by the standard fee structure) during the Fall 2008 and Spring 2009 seasons combined or at the discretion of the Director of Referees.
